Activity Book

Do you still remember that good, old story  
About the Lord Jesus who came from glory  
And brought with Him a wonderful salvation  
As God's great gift to the world's many nations?

The Lord Jesus traveled a lot here and there  
To heal and give hope to all those in despair  
And when He met people who were on His way  
He chased all their sadness and their fears away.

All those who came humbly to Jesus in need  
From sickness and trouble were graciously freed  
They left having faith in God's power and might  
For Jesus was able to make all things right.

The fishers look sadly at  
their empty net  
They have not caught a  
single fish today yet.

But all of a sudden, a  
strange thing, oh boy!  
God sent tons of fish for  
the men to enjoy!

**"How did all this happen?" the guests were at awe. Because of God's power a wonder they saw.**

**When Peter's own mother-in-law became sick  
The Lord Jesus' help was amazingly quick.  
He took her bad headache and fever away  
She served Him and guests for the rest of the day.**

A shy man was sitting on top of a tree  
The Son of God, Jesus, he wanted to see  
And when he heard Jesus speak words that were true  
His heart became brave and he knew what to do.

Lord Jesus is ready to meet every man  
For all kinds of people He has the best plan  
Zaccheus, the man from the tree the Lord met  
Learned lessons from Jesus he'd never forget.

A man who was ill and could not even walk  
Now carries his bed and smiles, what a shock!

It used to be so that he lived in great fear  
But now he is healthy and full of good cheer.
