

Noah's Ark

Activity Book

Tomasz Kruczek
Magda Bloch

Noah took all the critters inside
the ark, a place God gave him to hide.
Will you please help me to find them all?
Spotted ones, fat ones,
short ones and small?

The parrot can boast
great many colors.
Before you get dizzy,
find grey-headed sparrows.

Lift and Look

That's a striped zebra,
but try to find now
a nice, spotted creature
we know as a cow.

Two big, brave lions
are also here.
The poor little rabbits
are hiding in fear!

Lift and Look

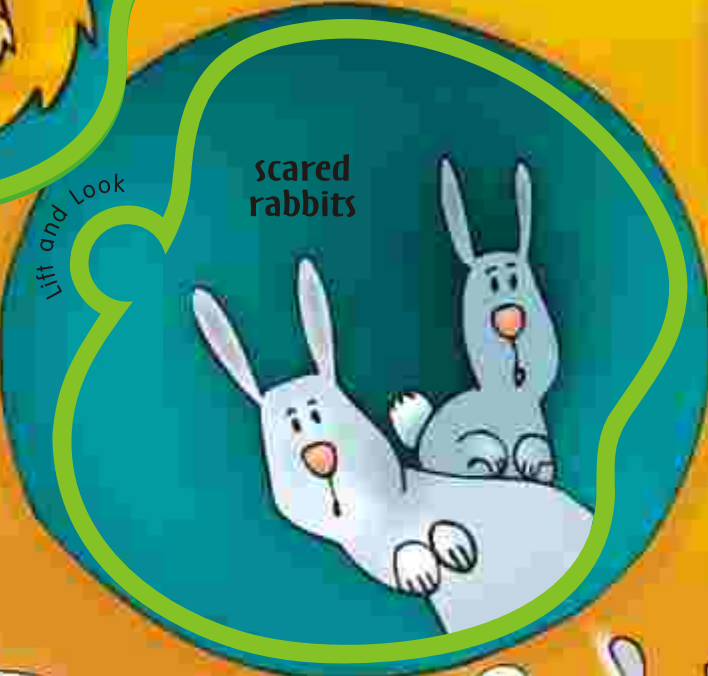

busy monkeys

The monkeys are loud
and they're rather busy!
But where is the sloth?
Just being all lazy?
